The story of PIZZA CALIFORNIA

We opened Pizza California in 1997, with the goal of taking the best of all the diverse, delicious food that we had grown up with and putting a new twist on it here and there, while always using the best and freshest locally abundant ingredients.

We start with a thick, chewy sour dough crust, just like the best bakeries in San Francisco. On top of that, we add a full-flavored marinara sauce, using red, ripe California-grown tomatoes. Then we layer premium cheeses and fresh cut meats and veggies.

Join us in our clean and comfortable dining room, take your order to go, or let us deliver right to you. We even specialize in large orders, so the next time you need food for a meeting at work or a party at home, give Pizza California a call and let us bring our fresh flavors to you!

Monday through Thursday 11 - 9:30
